

September 5, 2017 – May 25, 2018

Dear Parents,

Wendy's Gymnastics & Fitness is thrilled about the 2017-2018 school year and would love for your family to join us. For your convenience, enrollment is continuous and ongoing throughout the school year with a monthly tuition based on an average of four classes per month (except December which was prorated to 50%). By enrolling you are securing your class spot for the entire school year with no need to re-register. However, there is no long-term commitment. If you would like to un-enroll, just let us know by the 21st of the month to avoid your credit card on file being charged on the 22nd of each month for the following months tuition. Visit our website for more details.

Registration for the 2017-2018 school year is open and on-going, so register today! Real-time availability and online registration is also available at wendysgymnastics.com, or call us at (614) 486-8004. Or, you may complete the registration form, with your first and second class choices, and include the annual family registration fee of \$35 if due and submit it to our office. To fully complete the registration process, before the 21st of the month, please submit a credit card by either calling our office or creating an online customer portal account. You may assume your children have been enrolled in their first choice class unless you hear from our office.

Please feel free to contact us if you have any questions. We appreciate and admire the interest you have in your child's development. We hope to see you and your family this school year!
